# Why Give Food Gifts

According to *Nation's Business* magazine, "Food gifts are the best business gifts for holiday giving." There are a number of good reasons:

- Universal – everyone enjoys high quality gourmet food
- Easy – No need to worry about the gender or number of recipients
- Food can be shared with fellow workers
- It is easy to meet various price points with food gifts

# Why Give Food Gifts

Make certain **YOUR** food gift program promotes **YOUR** company and **YOUR** brand, not someone else's!

Gifts from the giant food gift companies are usually so emblazoned with their logo, the recipient has a hard time figuring out who sent the gift. Was it from the giant food gift company, or from you?

We makes sure when someone opens a your gift, the first thing they will see is YOUR logo, not the logo of the company who has made the product.

# Why Add A Logoed Item to Your Food Gifts?

When you choose gifts that include a desk accessory or other durable item bearing your logo, that item generates goodwill for you, long after the food has been enjoyed.
